Encourage a Restaurant to join Mealshare

Know a place that would be a perfect fit for Mealshare? Let them know the next time you dine out! Or, introduce us via email to one of their owners or managers by emailing info@mealshare.ca. You can also request referral cards from us, print them, and give them to restaurants!

Choose a Mealshare partner restaurant whenever you dine out

Of course it's great if you choose a Mealshare item. But it's even MORE helpful if you:

- Tell a server, GM, or even owner that you are REALLY happy they're a Mealshare partner and that's why you're there
- Take a picture of your Mealshare item and post about it on Facebook, Twitter, Instagram, or your blog! Make sure to tag us and the restaurant to get some conversation going.

Donate to Mealshare:

If you head to www.mealshare.ca/donate, you can help fund the growth of Mealshare to ensure we get to new communities and are able to provide even more meals to people in need.
