

# Tonight for Tomorrow

May 6<sup>th</sup>, 2020

**Tonight For Tomorrow (TFT)** is a decentralized fundraiser happening on **Wednesday, May 6<sup>th</sup>** at 40+ restaurants in Vancouver, Calgary, Ottawa, & Toronto.

For every dollar a guest spends on food during dinner at a participating TFT restaurant, **one dollar will be donated to help grow Mealshare!** Participating TFT restaurants sign on to donate half of their dinner sales that evening, and then an amazing sponsor matches that! So, if a guest spends \$50 dollars on food at a participating TFT restaurant on May 6<sup>th</sup>, \$50 dollars will now be donated to help grow Mealshare! How amazing is that!?!

**We're hoping to raise over \$80,000 to help grow Mealshare. We'll use the funds raised to:**

- **Grow in our existing cities**
- **Hire passionate individuals to join our cause**
- **Expand Mealshare into new communities across Canada**

**How can you help? Great question!**

By signing up as a '**Mealshare Attendee**' for the event. You'll be the heart and soul of the event, and will be responsible for:

- Going for dinner on May 6<sup>th</sup> at a participating restaurant found at [www.mealshare.ca/tft](http://www.mealshare.ca/tft)
- Leveraging your network and convincing at least 7 other people to go for dinner that evening as well (it's a pretty easy sell, just tell your friends they'll be helping to end youth hunger simply by eating out that night!) Think supper clubs, getting your colleagues together for team building, family dinners, etc!
- Help us promote the event on social media leading up to the event (we'll send along some pre-composed content to make life easy!)

We would **LOVE** to have your support to help fight youth hunger!
