

Tonight for Tomorrow

Wednesday, May 8th, 2019

Tonight For Tomorrow is a decentralized fundraiser happening on **Wednesday, May 8th** at 40+ of our restaurant partners in Ottawa, Vancouver & Calgary.

For every dollar customers spend on food during dinner at a participating restaurant, **one dollar will be donated to Mealshare!** Participating restaurants donate half of their food sales that evening, and that is then matched by a sponsor. So, if a couple spends \$50 dollars on food at a participating restaurant on May 8th, \$50 dollars will be donated to help grow Mealshare! How amazing is that!?!

We're hoping to raise over \$80,000 to help grow Mealshare. We'll use the funds raised to:

- **Grow in existing cities – Calgary, Ottawa, Vancouver**
- **Expand in Hamilton and two USA cities**
- **Share an additional 1 million meals with youth in need in 2019, bringing the total to over 3 million!**

How? Great question!

By signing up as a '**Mealshare Host**' for the event. You'll be the **heart and soul** of the event, and will be responsible for:

- Going for dinner on May 8th at a participating restaurant
- Leveraging your network and convincing at least 7 other people to go for dinner that evening as well (it's a pretty easy sell: tell your friends they'll be helping to end youth hunger just by eating out that night!)
 - Ideally your pals will come in smaller groups – multiple reservations of 2-6 people so that the kitchen doesn't get too slammed all at once OR ask your Mealshare rep which TFT restaurant would be the best to accommodate a big group!
- Help us promote the event on social media leading up to the event (we'll send along some pre-composed content to make life easy!)

We would **LOVE** to have your support to help fight youth hunger!
